

## JOB DESCRIPTION

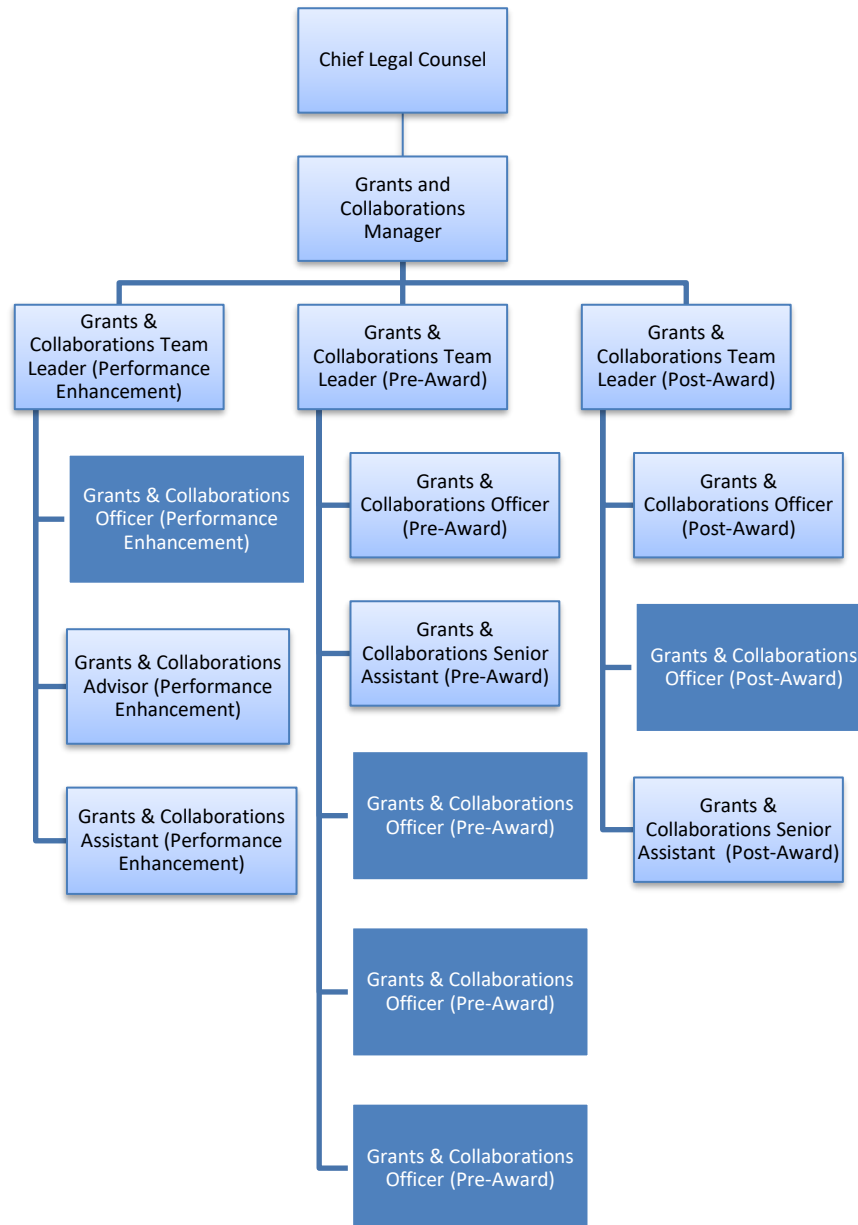

<b>Job Title:</b>	Grants and Collaborations Officer
<b>Division/Programme and Section/Project:</b>	Grants and Collaborations Team, Operations Management Directorate
<b>Location:</b>	Noumea, New Caledonia
<b>Reporting to:</b>	Grants and Collaborations Team Leader
<b>Number of Direct Reports:</b>	0
<b>Purpose of Role:</b>	This role will support the Grants and Collaborations Team in ensuring the effective and timely delivery of high-quality grant management services across SPC. This position will be responsible for providing essential support on a wide range of grant-related activities, assisting in the enhancement of stakeholder capacity and understanding of grants management processes, and contributing to the continuous improvement of grant systems and practices. The Grants and Collaborations Officer will work closely with their respective Team Leaders to foster strong relationships with internal and external stakeholders, ensuring that grant activities meet the standards expected by SPC and our funders while aligning with SPC's strategic objectives.
<b>Date:</b>	September 2024

### Organisational Context and Organisation Chart

The **Grants and Collaborations Officer** roles sit within the Operations and Management Directorate and are focused on the different stages of the grants and collaborations lifecycle, Pre-Award and Post-Award, and Performance Enhancement. These roles provide services to all of our divisions, ensuring that SPC's grant and collaboration activities are managed effectively and in alignment with the strategic objectives of SPC.

Each of the Grants and Collaborations Officer positions will be responsible for the day-to-day support on grants and collaborations across the organisation and will be expected to contribute significantly to improvements in SPC manages grants and collaborations, addressing areas for ongoing improvement while managing their respective teams.

The **Pre-Award Team** will focus on the initial stages of grant and collaboration management, including capacity assessments and the development of grant and collaboration agreements. The **Post-Award Team** will ensure that grants and collaborations are effectively monitored, verified, and closed out in compliance with SPC's standards. The **Performance Enhancement Team** is dedicated to improving grant and collaboration processes, risk management, and overall performance of the grants function.
