

JOB DESCRIPTION

Job Title:	Finance Officer
Division/Programme and Section/Project (if any):	Geoscience, Energy and Maritime (GEM) Division, Disaster and Community Resilience Programme (DCRP), Building Safety and Resilience in the Pacific II (BSRP II) project
Location:	Suva, Fiji
Reporting to:	Project Manager (BSRP II)
Number of Direct Reports:	nil
Purpose of Role:	The Finance Officer is responsible for financial support to the BSRP II project and assists with the financial delivery of the overall project in accordance with SPC and donor requirements. In particular, the position holder provides the support for financial accounting, procurement, contracting and audit of project activities overall and in the fifteen project countries. Where possible, the Finance Officer may assist the GEM finance team.
Date:	June 2022

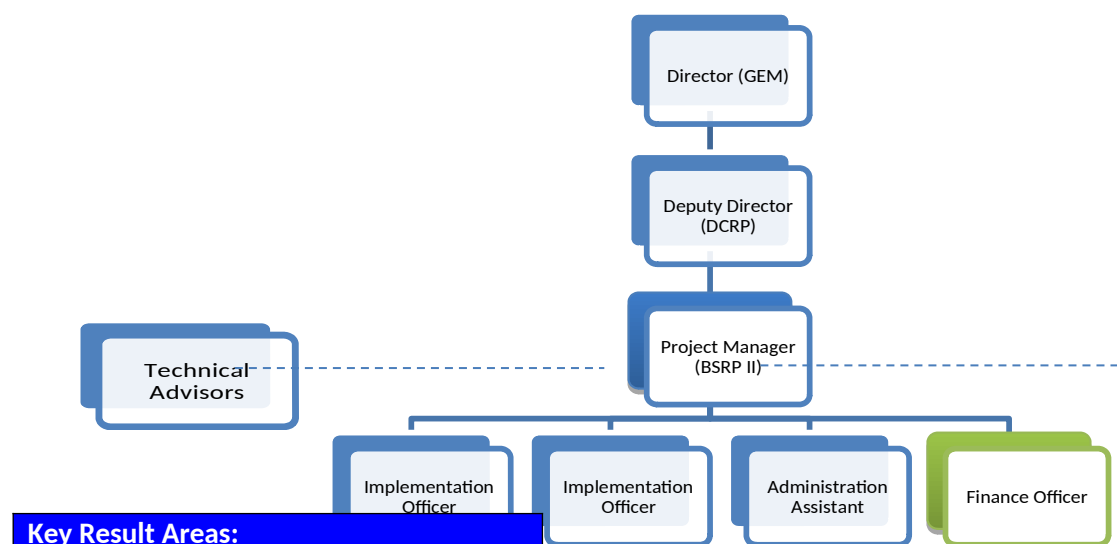

Organisational Context and Organisation Chart

SPC is the principal scientific and technical organisation in the Pacific region, proudly supporting development since 1947. We are an international development organisation owned and governed by our 26 country and territory members. We work for the well-being of Pacific people through the effective and innovative application of science and knowledge, guided by a deep understanding of Pacific Island contexts and cultures (<https://www.spc.int/>).

The GEM Division uses scientific and technical innovations to develop solutions that help overcome development challenges in the Pacific. GEM consists of four key technical programmes: Disaster and Community Resilience Programme (DCRP), Oceans and Maritime Programme, Georesources and Energy Programme, and Earth and Marine Observation Programme.

SPC has brought together its efforts in disaster risk reduction and water and sanitation, along with relevant climate change adaptation and natural resource management initiatives, into an integrated Disaster and Community Resilience Programme (DCRP). Part of SPC's GEM Division, the DCRP was formed to better support our Member Countries achieve their sustainable development goals through evidence-based action and partnerships for resilience. By bringing these related areas together, the DCRP is focusing SPC efforts to support Member Countries to demonstrate strengthened resilience through integrated actions on disaster risk management, climate change adaptation, natural resource management and increased access to water and sanitation. The DCRP delivers this work through a series of projects and programme funding, coming together through integrated programmatic delivery (<https://gem.spc.int/key-work/DCRP>).

BSRP II project is a EUR 14 million project and sitting within DCRP. It will commence in 2022, building on the first phase of BSRP (2013-2020). BSRP II will be implemented by SPC in collaboration with agencies from 15 Pacific Island Countries (PICs) as part of the 11th European Development Fund (EDF) Intra-African, Caribbean and Pacific (ACP) Natural Disaster Risk Reduction Programme (NDRRP) supported by the Organisation of African, Caribbean and Pacific States (OACPS) and European Union Delegation (Suva).

The position of the Project Finance Officer for the project encompasses the following major functions or Key Result Areas (KRAs):

KRA 1: Implement financial systems to ensure streamlined delivery of activities of the overall project in accordance with SPC requirements (20%)

KRA 2: Provide financial management and administration support to ensure the delivery of activities and intended outcomes of the overall project in accordance with SPC and donor requirements (40%)

KRA 3: Provide support for financial accounting of regional activities and country-specific activities in all fifteen participating countries (35%)

KRA 4: Provide financial support to other Geoscience, Energy and Maritime (GEM) Programme activities where required (5%)

The requirements in the above Key Result Areas are broadly identified below.

Jobholder is accountable for	Jobholder is successful when
